There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Weak Lungs Often Lead to Serious Illness

Lead to Serious Illness

If you have weak lungs, you are generally subject to coids or throat trouble and easily susceptible to serious Lung Trouble. In many cases pneumonia or bronchial troubles leave the lungs in a much weakened condition. Eckman's Alterative is a medicine for the throat and lungs which has been found to be very beneficial, even when a change of climate and other treatments falled to bring relief. Read of this case:

231 S. Atlantic Ave., Haddonfield, N. J.

"Gentiemen: In the full of 1965 I contracted a very severe cold which settled on my lungs. At last I began to raise sputnum, and my physician then told me I must go to California immediately. At this time I was advised to take Eckman's Alterative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds. fully restored to health. It is now seven years since my recovery has been effected and I cannot praise Eckman's Alterative too highly."

(Signed)

W. M. TATEM. (Above abbreviated, more on request).
